PROPOSED ORDINANCE AMENDMENT

AN AMENDMENT TO CHAPTER 74, ARTICLE II, REAL PROPERTY TAXATION

WHEREAS, vacant properties can devastate a neighborhood and block, undermine neighbors' quality of life, and diminish the value of nearby properties; and

WHEREAS, they also cause severe fiscal damage to local governments, reducing local tax revenues while costing cities millions for policing, cleaning vacant lots, and demolishing derelict buildings; and

WHEREAS, most vacant buildings and houses are well maintained, but many are not and thousands can sit empty for years, abandoned by their owners, deteriorating to the point where they cannot be reused without major rehabilitation with many ultimately demolished, leaving vacant lots in their place; and

WHEREAS, besides their impact on social and economic conditions, vacant, abandoned properties have a devastating effect on the fiscal condition of their cities, towns, and counties; and

WHEREAS, not only do they pay little in property taxes and generate little revenue for the city or county when sold at tax sales, but they further reduce property tax collections by millions of dollars by devaluing neighboring properties; and

WHEREAS, among the County's tools to assist in jumpstarting economic development and turning communities around are tax incentives; however, owners of vacant property, who receive said incentives should not be able to indefinitely benefit from them without developing and re-purposing such properties;

NOW THEREFORE, BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 74 - Taxation, Article II - Real Property Taxation, Division 2 - Classification System for Assessment, Section 74-73, of the Cook County Code is hereby amended as follows:

(2) By the County Board by Resolution or Ordinance, which is based on a report from the Bureau of Economic Development that has been approved by the Economic Development Advisory Committee of the County; or

(4) By request of the taxpayer to cancel; or

(c) A basis for revocation pursuant to Section 74-73(b)(2) or (b)(3) above includes, but is not limited to, the following:

(1) Failure to comply with the requirements of Section 74-71 or 74-72;

(2) Delinquency in the payment of any property taxes administered by Cook County or by a local municipality; or

(3) Inaccuracies or omissions in documents submitted by the taxpayer, including, but not limited to, the application and the Economic Disclosure Statement.

In case of revocation, ~~or cancellation, or suspension~~ the Incentive Classification shall be deemed null and void for the tax year in which the incentive was revoked, ~~or cancelled, or suspended~~ as to the subject property. In such an instance, the taxpayer shall be liable for and shall reimburse to the County Collector an amount equal to the difference in the amount of taxes that would have been collected had the subject property been assessed as a Class 5 property and the amount of taxes collected under the Incentive Classification as determined by the Assessor.
